# METAMORPHOSIS '75

MET•A•MOR•PHO SIS(metă-môr-fô-sis)n. Lat.<Gk. Meta (implying change)+morphê, form ,1. a change of physical form structure, or substance especially by supernatural means; 2. a striking alteration in appearance, character, or circumstances; 3. a marked and more or less abrupt change in the form or structure of an animal.

Changes take place everyday. There are changes in politics, government, and the economy. Buildings rise where there once was barren flatland. Roads divide forests, and countrysides develop into cities. The animal population dwindles to but the strongest few. The changes and development of the animals compare to our changes throughout the years. We also have changes in our surroundings. This year we left an old, very used, much appreciated building to come to one which holds a bright, new, adventuresome future.

We as students undergo changes in life just as the larva progresses into a butterfly. As a freshman advances to a senior, growth and development in attitude, memories, and friends take place.

As always, many changes in styles occurred as well as changes in thoughts. With this change of surroundings comes a new and matured sense of pride.

DEDICATED

AT

OPEN

HOUSE!

On September 1, 1974, Johnston High School was officially dedicated at the Open House. Everyone was invited to attend the dedication and to tour the new building.

Mr. Robert C. Otto, principal, Mr. Louis Friestad, Superintendent, and Mr. Robert Frieson, school board president, officiated at the ceremonies.

The Concert Choir sang "Four Strong Winds" by Ian Tyson and the "Alma Mater" by Iona Ansorge, the choir director.

The Jazz Band also performed. They played "Sploofy" by Russ Martino and "Lady Sings the Blues" by Michel LeGrand.

I'll always remember  
our senior year.  
Time passed so quickly,  
Then graduation was near.

I'll always remember  
Friendships we held so dear,  
Precious moments remembered  
When we're no longer here.

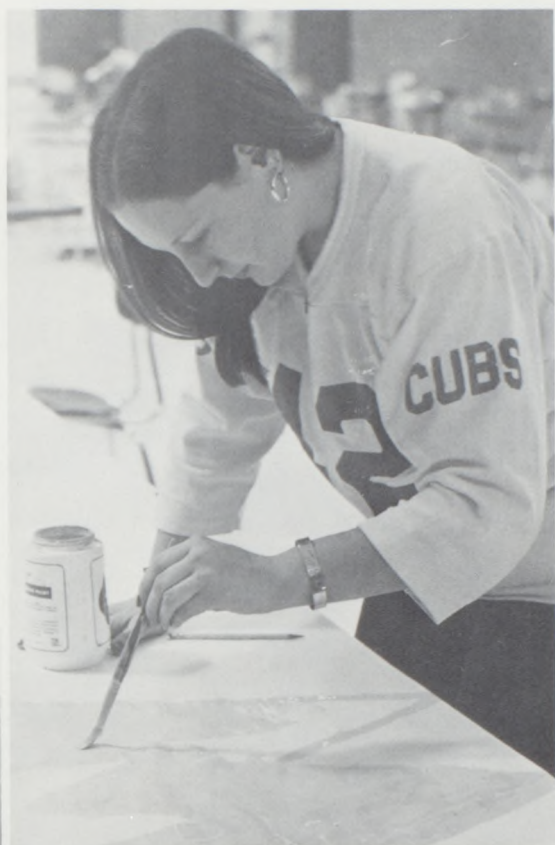

Great times at the dances,  
Studying for exams,  
Now that it's all over  
We'll have to make future plans.

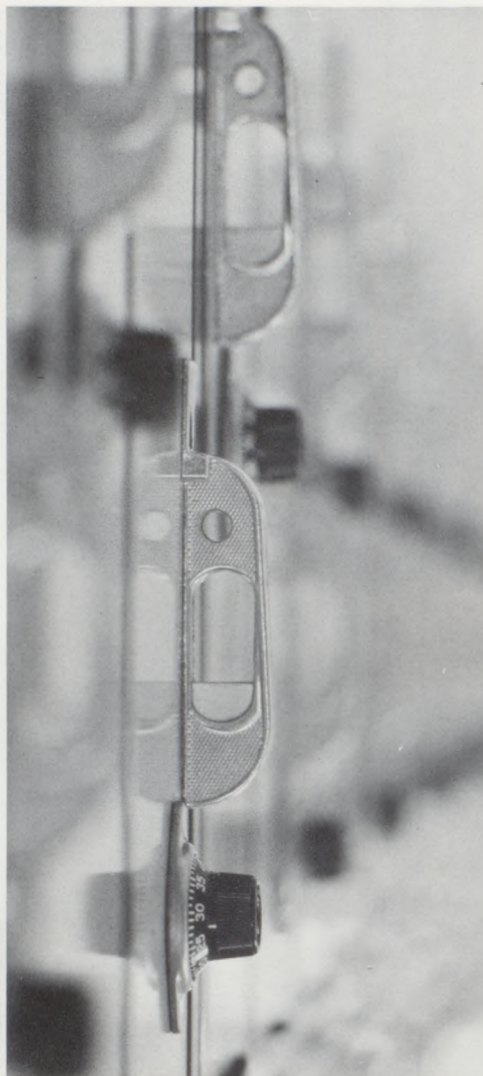

I'll always remember  
the all-night party and prom,  
High school days are over  
And all our friends are gone.

Years may go by,  
I'll remember them because  
memories grow with each dawn.

I'll remember,  
I'll remember,  
I'll remember.

# Conscientious Teachers Inspire Learning

Mrs. Iona Ansonge is the vocal teacher and coach of the tennis team. Her ability to instruct students has earned her and JHS many honors. The Concert Choir, Swing Choir, Sr. High Chorus, Girls' Glee Club, Music Theory, and coaching State Vocalists are the many groups she teaches. This is her last year at JHS. We wish her the very best of luck in her education and regret losing such a valuable teacher.

Mrs. Jeanette Babcock is the Librarian at Johnston. She is also the advisor for SAE and Library Club. Her job requires much patience and the ability to incessantly repeat "Shhhh".

Mrs. Kaylene Baker teaches Sophomore English, Journalism and directs the All-School and Senior Class plays. This is her first year at Johnston and has proved to be very well-liked and helpful in many ways.

Mr. Dennis Briggs is an instructor in the Science Department. He teaches Earth Science to the Freshmen. He also coaches the Jr. High Wrestlers and Jr. High boys' track. He also takes part in the Bible Study that meets before school.

Miss Cheryl Crawford instructs the girls' physical education classes and coaches the softball team. "Coach Crawford" serves as referee during the classes and is the official money collector when roller skating comes around.

Miss Betty Fowler instructs the Personal Typing, Typing II, Shorthand, and Office Practice. Her pleasant smile is always nice to see after you've just goofed for the tenth time.

Mr. Jack Finley is another new member of the staff. He brought a new organized course called Distributive Occupations (DECA). Many Seniors participate in this program which has proved to be very successful.

Mr. Don Gross, another "math major" at Johnston, teaches Algebra I and II, Math Survey, and Pre-Algebra classes. He also devotes some of his time to coaching the Girls' Cross Country and Girls' Track teams.

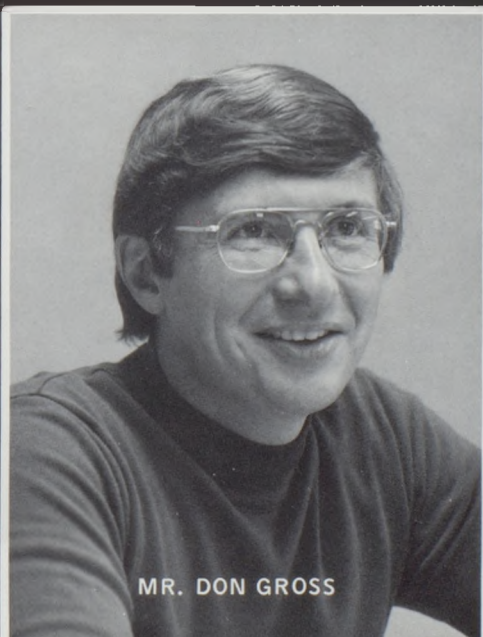

Mr. Martin Harswick teaches World Studies, Political Science and Economics. He also serves as assistant coach of the Boys' Basketball team.

Mr. Floyd Lancaster teaches a wide variety of math courses which include Algebra, Geometry, Trigonometry, Calculus, Analytic Geometry and Statistics.

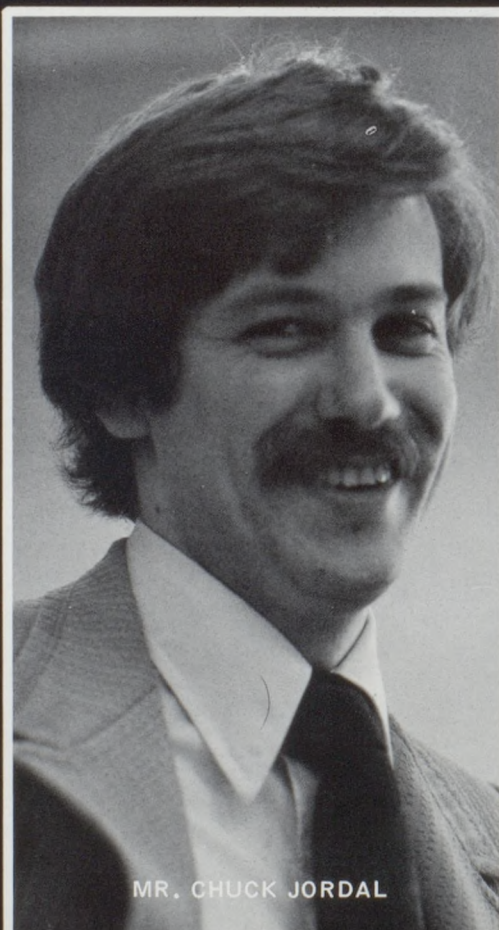

Mr. Chuck Jordal is a new face at Johnston this year. He instructs the Industrial Arts program. A new course, Auto-Mechanics, was offered as a short, informative course. Many girls successfully took part in this much-needed course.

# ACTIVITIES

Homecoming week was really swingin'! On "50's Day" the students turned the school upside-down. Slicked-back hair and T-shirts, bobby socks and ponytails, set the scene. "Grub Day", "Silly Socks and Hat Day", and "No Red Day" were other special days observed during the week.

# Johnston Bombs Ballard With 12.0 Homecoming Victory

"The Bigger they are, the Harder They Fall" was the winning slogan for the Juniors' float. Then came the Seniors' float with Ewell Gibbons' "Many parts are Edible." Following was the Sophomores' "Victory is within our Grasp" and the Freshmens' "Dead Men Tell no Tales."

The fans enthusiastically supported the team as they held the Bombers scoreless in their impressive 17-0 Homecoming victory. It added to the successful week of the parade, coronation, special days, and the dance.

## J. H. S. Shows Its Talent

The annual talent show proved to be a great success. Many talents were displayed in the comedy and serious divisions. Even the teachers participated in a comedy routine. Each teacher played their special instrument under the direction of Joe Hermann, band director. An added attraction featured Colleen Neff and Karen Weast as hostesses of the show.

First prize in a comedy act went to the Junior girls who did, "The Twelve Years of School." The twelve girls were: Jo Ludwig, Becky Francis, Sheri Bonine, Betsy Mable, Janine Weast, Lisa Soldat, Jane Ashmead, Kristy Belz, Vicki York, Pam Odegaard, Deb Booth and Kathy Stall. First prize in a serious act went to the Senior girls who did a song and dance routine to "The Boogie Woogie Bugle Boy." The Senior girls were: Daun Groff, Cheryl Weir, Karen Keown, Brenda York and Brenda Angstrom. The first place winners followed tradition and donated the prize money to the needy families for which the show is put on.

Other acts included a drum duet by Jim Allender and Jim Stogdill, and an act by the Senior boys doing the Post Raisin-Bran Song.

Second Row, Left To Right: Kristy Boyd, Andrea Garland, Theresa Phipps, Betsy Mable, Denise Cameron and Manager Suzi Hammer. Back Row, Left To Right: Jill Thalacker, Nancy Leonard, Connie White, Di Dunn, Carol Schlehs, and Coach Cheryl Crawford.

The Varsity Girls Softball team was composed mainly of five freshman, bolstered by one junior and three sophomores. This young team finished with a 2-16 season record. Their only conference win was when they defeated West Marshall 20-18. We expect greater achievements of this fine group this coming summer. The Junior Varsity season record was 4-8. They too, should be an improved and more experienced unit this coming summer.

# Cross Country Races Through The Fall

This year's Girls' Cross Country team competed well in every meet. All runners ran equally well with several different individuals finishing first in the various meets.

Theresa Phipps broke the existing 1 1/2 mile record with a time of 9:08:2.

With only one returning regular Steve Wikner, the Boys' Cross Country team could not hope to approach the successes of the past 3 years in terms of state championships and victories. The team finished 9th in the state meet and 3rd or 4th in the large invitationals. Pat Sheridan and Brian Carson contributed leadership and courage to the team. Don Garrison had record freshman times and will be an outstanding runner for the next 3 years. Other returning runners include Todd Steinberg, John Judkins, and Scott Wagner. Prospects for next year appear very bright.

Front To Back: Jill Thalacker, Betsy Mable, Nancy Leonard, Theresa Phipps, Susan Allender, Paris Evans and Kathy Stall.

## Dragon Football Team Of 1975

Row 1: L To R: Fred Wissler, Brad Thalacker, Wyatt Pugh, Dan Evans, Mike Sheeks, Tony Woods, Lindsey Cross, Dan Hawkins, Dick Beaderstadt, Tom Rolfes, John Cisna. Row 2: L To R: Shane Pugh, Ralph Leonard, Tim Rolfes, Karl Gerstenberger, Greg Evans, Bill Steele, Kevin Des Planques, Stan Hyde, Brian Folden, Bob Blaine, Ron Bales. Row 3: L To R: Paul Munck, Kurtis Sorenson, Mark Hawkins, Terry Garland, Steve Billings, Jim Herrick, Jeff Otto, DeWayne Breen, Larry Bryant, Bob Cox.

The 1974 football Dragons were very young and lacking experience at key positions, but were a team to be reckoned with all year. Many of the starters were underclassmen and the season started slowly with the young Dragons losing the first three games. The season then turned around and they won five of the last six ball games.

The season was successful in the win-loss column and the Dragons came out well with four all-conference football players. Dewayne Breen and Mark Hawkins were first-team selections, and Wyatt Pugh and Dan Evans were selected to the second team. The loss of seniors Ralph Leonard, Wyatt Pugh, Dan Evans, Tim Rolfes, Shane Pugh and Jeff Otto will hurt the Dragons, but hopefully they can be replaced by underclassmen next season.

Coach receives H.O.I. Honors

Mr. Baltzley, head wrestling coach, was selected as the Heart of Iowa Conference coach. This award was presented at the H.O.I. conference held here for the first time in seven years. Pat Sheridan received the Wrestler of the Conference award.

Mr. Baltzley's coaching ability proved to be successful as Pat Sheridan and Greg Roorda went to State. Pat captured third place at State and later won the AAU championship.

Johnston placed third in all four tournaments. They were: Greenfield, Carlisle, Urbandale (Triple A competition) and the Heart of Iowa Conference. Pat Sheridan and Rick Clover took the championship at the H.O.I. meet. The team finished with a 7-4 overall record and a 6-1 conference record. They also finished second in the H.O.I. Conference. Next year looks good as the squad is only losing four seniors and four freshmen were in the varsity line-up this year.

## Dragonettes Complete Successful Year With New Coach

Dunn shoots for one.

Dragonettes lose four of their best.

Johnston's Girls Basketball Team jumped off to a very good start this winter, but encountered a six game losing streak mid-way through the season to make the year end very discouragingly with a 4-14 record.

Sophomore Carol Schleih was named to the Second All-Conference Team. Seniors Sue Ringleb, Cheryl Weir and Nancy Leonard were named to All-Conference Honorable Mention.

Next year's season seems very bright with many returning letter winners. Mr. Larry Strickler stepped down as head coach, and Assistant Ms. Deb Schelling will succeed!

Junior Varsity Girls Basketball Team Kneeling L To R: Connie Schmidt, Denise Cameron, Sue Bowen, Jana Weir. Standing: Jill Thalacker, Suzi Hammer, Lynn Hook, Cindy Van Farowe, Randi Van Rees, and Coach Deb Schelling.

Sophomore Carol Schleis, Junior Diane Dunn, and Senior Nancy Leonard played the most in the forward court with good help from Senior Denise Cameron, Junior Teresa Phipps, and Sophomores Jana Weir and Connie Schmidt.

The guard court found good balance in Seniors Sue Ringleb, Cheryl Weir, and Sophomore Becky Kellett. Sophomores Cindy Van Farowe and Sue Bowen helped make this guard court one of the quickest ever at Johnston.

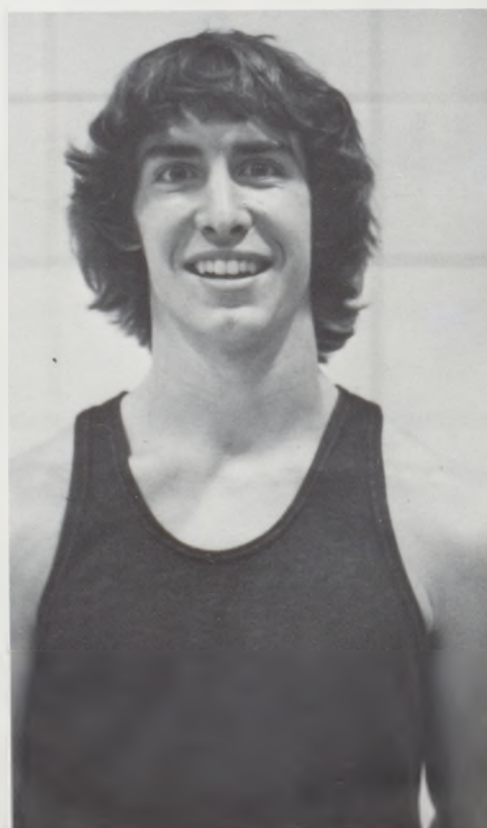

Left To Right: Tony Woods, Bobby Wilson, Dan Cameron, John Cisna, Wyatt Pugh, DeWayne Breen, Bob Blaine, Scott Wagner, Brad Wagner, Steve Billings, Larry Bryant, Seth Smiley, Terry Garland, Mike Sheeks, and Greg Evans.

## Dragons Show Potential

Inexperience hampered the basketball team in 1974-75 as underclassmen were forced to carry the load. The only senior, Wyatt Pugh, provided leadership and inspiration through his hustle and desire and excellent attitude. Wyatt was for 2 years one of the outstanding defensive guards in the conference.

Because of the amount of playing time they got this year, several sophomores and an outstanding freshman should help a good group of juniors enjoy a very successful season in 1975-76. By the end of the year Steve Billings had become our most valuable player. His all around play, coupled with the aggressive rebounding and scoring of DeWayne Breen and Brad Wagner give Johnston an imposing front line.

Sophomore guards Tony Woods, Mike Sheeks, and John Cisna were counted on heavily this year and will be much improved in the future. Scott Wagner, 6' 5" freshman played a lot on the varsity and is expected to be one of the outstanding players in the state. Despite a 5-14 final record, and some very inconsistent performances, there were several highlights this season. Playing an almost flawless game, the Dragons ripped S. Hamilton on the road 74-60. Two close, exciting games with an excellent Roland Story team provide hope for the future. In the district tournament, the Dragons played well against a bigger Saydel team, losing a heart breaker in the final moments. These accomplishments plus the valuable experience make the future look bright.

# Tennis Team Carries On Winning Tradition

Front, L To R: Connie Schmidt, Di Dunn, Lisa Soldat, Janel Wegner, Margie Reed, Janine Weast. Back, L To R: Carrie Rushing, Brenda Angstrom, Pam Carlson, Coach Iona Ansonge, Ellen Franklin, Debbie Booth, Jody Wegner.

No. 2 ranked Margie Reed.

We had a 6 win, 1 loss season. We had 5 meets cancelled by other teams because of conflicting weather.

We took 4th in districts following behind Roosevelt, Hoover and Ankeny.

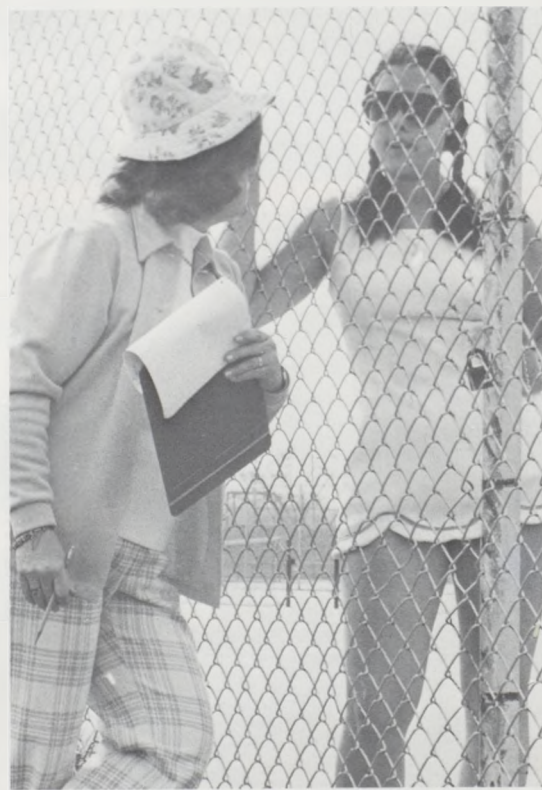

We are losing only 4 seniors our #1 Janel Wegner and #2 Margie Reed, plus #9 Brenda Angstrom and #11 Pam Carlson.

Di Dunn, Janine Weast and Lisa Soldat are fine players and Jody Wegner is moving up fast--only lacks experience. Connie Schmidt could go to State as a Senior, as could Jody.

Iona Ansonge, Coach

No. 1 ranked Janel Wegner.

Mrs. A. takes time out to coach Lisa Soldat.

We're looking forward to a great season next year.

# Golf Team Takes Sectionals At Winterset

Boys Golf had a fairly successful season, finishing 11-6 in dual meets and third in the conference meet. A highlight of the season was winning the sectional tournament at Winterset where Tony Woods was medalist with a 75.

Throughout the year Wyatt Pugh and Tony Woods were consistent low scorers. In district competition Wyatt lost a playoff which would have qualified him for the state meet. Seniors Paul Munck and Jim Stogdill came through with fine performances in meets, and will be difficult to replace.

Other lettermen were Greg Evans and Fred Wissler and sophomore Mike Sheeks. The four returning lettermen make prospects equally bright.

# Girl Golfers Lose Four Seniors

The 1975 Johnston Girls Golf Team had a very respectable season. They finished 11-3 in duel meets and sixth in a field of eleven at the state sectional meet at Norwalk. We had six girls who contributed to the team effort all season. Our seniors, Pam Hammer, Michele Reese, Bobbi Vickers, and Brenda York were very consistent and steady leaders for our team. Our only returning letterwinners are Suzi Hammer and Kristi Boyd. Suzi played very well this season leading our team in several meets. Kristi was also medalist in several meets this year, and as a freshman has a very bright future in golf.

# METAMORPHOSIS

## — The Egg Stage

The first stage of metamorphosis is that of the egg. This is an unaware, new experiencing, stage. The Freshman are also unaware of what awaits them.

Sometimes things are learned through experience and other times through some helpful person. But things cannot be learned unless the desire and potential is there. The egg contains these necessary essentials for the butterfly to develop. The Freshman enter high school with the essentials to learn.

# METAMORPHOSIS

## — The Larva Stage

The eggs hatch into the larva, or caterpillar. The larva stage is the simple, more relaxed stage. Just as the caterpillar searches for new things, Sophomores too, are in continual search of new experiences. They are now more relaxed and begin to prepare themselves for their life ahead.

# METAMORPHOSIS — The Chrysalis Stage

The Chrysalis is the third stage of metamorphosis. It is a very quiet and important stage in which probably the most change occurs. The wings, legs, and body develop in this stage. The Junior year is also a year of change. The Junior student begins to leave the earlier years behind and now looks toward the future.

The adult is the final and most amazing stage. As the chrysalis opens, the adult slowly creeps out into the world. The adult becomes either a beautiful butterfly or a lonely moth. The adult soon flies off to explore the world. In the final year of high school, the truth is revealed. The Senior student begins to search himself for his real identity. The lonely moth must live in the world as he is, but to the graduate is given the opportunity to develop into the butterfly as he lives and grows in his new environment.

Jane Gibbons and Tim Rolfes were chosen by the Optimist Club of Northwest Des Moines as "outstanding students" during "Youth Appreciation Week" during the month of November. They were among representatives from 27 different high schools in the Des Moines area, which were honored at a luncheon held at the Top of the Tower restaurant at the Holiday Inn.

# ORGANIZATIONS

# Student Council

Student Council has been very active this year. They organized a Sock Hop in the Fall and a Sweethearts' dance, in the Winter. They had a Fun Night where the students could either watch old films in the auditorium, dance, or play basketball in the gym.

They had their annual Food Drive and Talent Show at Christmastime. This year, as always, was very successful in helping needy families.

This has been a year of many beginnings in the library. Especially for Dorothy Cross who has served as a library assistant for 5 years. As a senior, she did many things to help set up the library in the new building. A special thanks to Dorothy.

Some of the newer clerks attended the state convention in April. There were many ideas to inspire them for future library work.

A main feature of the year was National Library week, April 13-19. Some of the clerks took an active part in the various programs which included book reviews, reference questions, science fiction specials, and craft and hobby sharing.

# National Honor Society

The National Honor Society members are chosen by a faculty committee on the basis of character, scholarship, leadership and service. As juniors, they can become full members others who qualify during the junior or senior year are admitted.

Photo Club. From Left To Right: Scott Wagner, Brad Wagner, Todd Steinberg, Jim Allender, Lisa Soldat, Toni Storm, John Cisna, and Mr. Jack Noah.

The Distributive Occupations (DECA) club was organized and led by Mr. Jack Finley. Through DECA, the students find a job and are required to work fifteen hours per week. They also attend class.

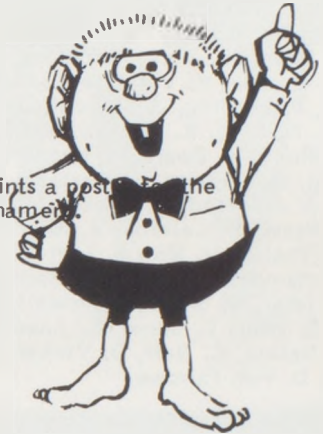

The club was well-represented this year at state and area contests. At the Area Conference Michele Reese took first in Human Relations Problems. Kerry Barton, Darrell Wilson, and Kurt Langerak took second place. Sue Ringleb took second place in Cash Register Problems. Diana Gomis, Glenn Coady, and Pat Sheridan received Honorable Mention. Stacey Eichhorn received Honorable Mention at State and Kevin Belz took third in State competition.

## Speech Has 2 Winners

The leadership of speech activities was assumed by Mrs. Newlin at mid-year. Four students were involved in the District and State Contests, Rhonda Ludwig and Perry Mulhern participated in Interpretive Poetry at the District Contest. Karen and Janine Weast were eligible to progress from District to State competition with interpretive readings in prose and poetry. They were required to perform for three judges at the State Contest and received I ratings - the highest mark - from all judges. Janine also received a I+, which is considered a superb rating. To all these girls, the Dragon Staff also says "Superb"!

Ellen Franklin paints a poster for the Conference Tournament.

## SAE Gains Experience In Teaching

An attempt was made to involve a variety of students in the S.A.E. this year. The name change from F.T.A. to S.A.E. removed the requirement of planning to become a teacher. Those students who were interested and had sufficient time still went to the elementary and/or Middle school to help teachers in various activities. One special activity that was done at a meeting was the taping of several children's stories to be used in the elementary library program.

# Jazz Band Is Dyno-Mite!

The Jazz Band provided superb music for everyone this year. They received a standing ovation for their performance during Fine Arts Week.

Special effects were added, thanks to the facilities in the new auditorium. Colored lights and background curtains really added to the special sounds of the band. The best word to describe them is dyno-mite!

# Annual Staff Dwindles To Hard-Working Few

## Staff Loses Invaluable Advisor

The Annual Staff has again worked hard to complete a book to be proud of. Staff members this year who devoted a lot of their time and effort were Editor Jill Thalacker, Margie Reed, Carrie Rushing, Michele Reese, Lisa Soldat, Connie Schmidt, Suzi Hammer, Ellen Franklin, Melodie Wiksel, Terrie Friesen, Laurie Munck, Betsy Mable, Karen Saunders, and especially Mr. Noah.

Unfortunately, next year they will be without Mrs. Newlin, a hard-working, devoted advisor. Her creative ideas and years of experience will be missed by all of us on the Annual Staff.

## Lion's 25th Annual Activities Banquet

The 25th Annual Awards Banquet was a great success as many students were honored for athletic and scholastic achievements. The students enjoyed a wide variety of dishes prepared at the Hyperion Field Club. After the dinner, the awards were held in the high school auditorium. This provided extra room and more opportunity for others to enjoy the awards.

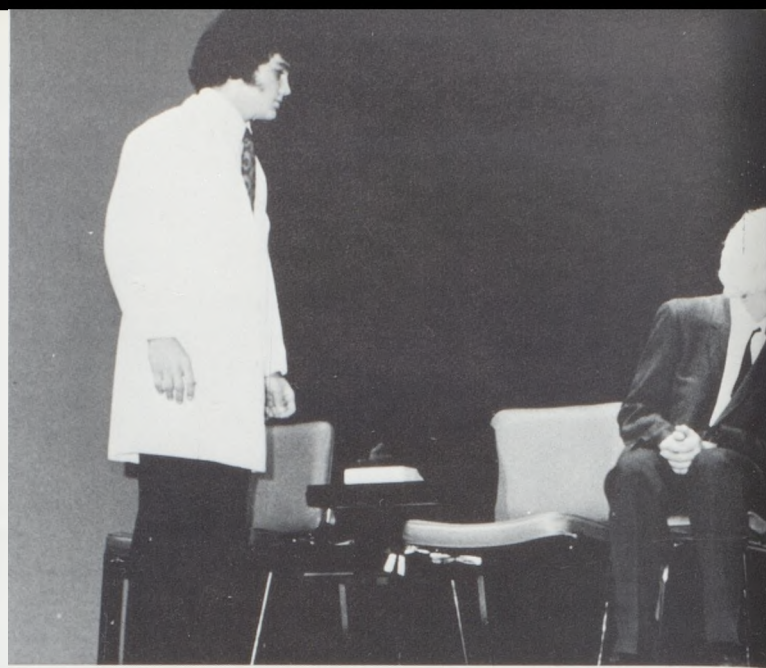

## Students Show Creativity During Fine Arts Week

Johnston's first Fine Arts Festival was held during the week of May 19-23. The week started off with the Senior play "Harvey."

The play, "Harvey", was about a six-foot rabbit that can only be seen by a few people.

The performances were held on Monday and Tuesday with Wednesday being reserved for church activities. Thursday was filled with various appealing activities, the first of which was a fashion show with Mrs. Purdum's students modeling some of the clothing they had made in sewing class. The evening continued with a band and vocal concert, directed by Mr. Joseph Hermann and Mrs. Iona Ansorge.

The last activity of the Fine Arts Festival was the Art Show held Friday night. All works displayed were those done by Art students under the auspices of Mr. Jack Noah. The evening was delightfully culminated by the entertaining music of the Jazz Band and Swing Choir.

Tuxedos and ruffles, long flowing dresses and a huge yellow sun made up the prom. Decorations were centered around the theme, "Here Comes the Sun" and were further enhanced by a huge centerpiece of fresh tropical fruits prepared by Mrs. Smiley. Behind the band was a huge sun and daisies were on the tables. Decorations were in blue, the seniors' colors.

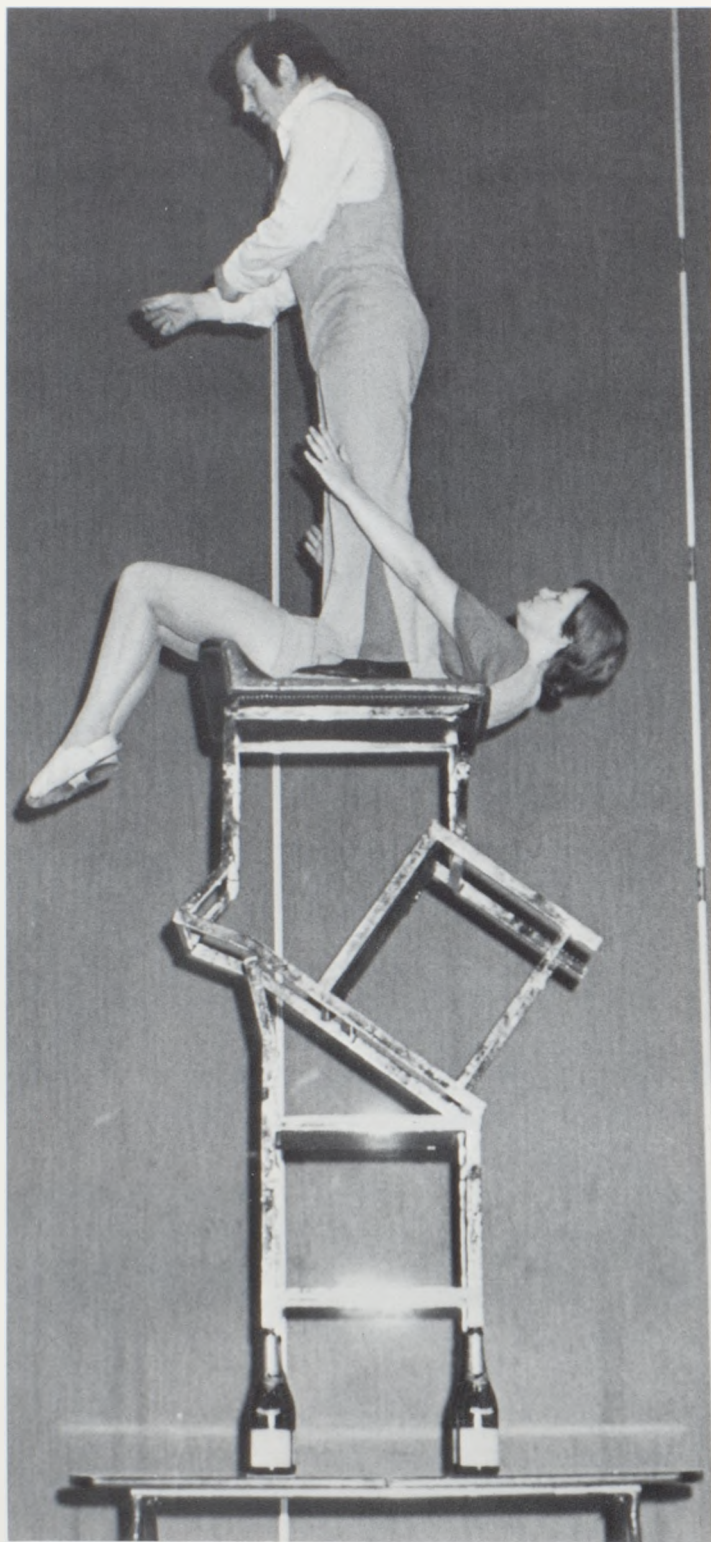

## "Here Comes The Sun"

Prom was held on May 17 at the Olmstead Center at Drake. The band featured was "Wizzard." The junior class sponsors were Craig Oldham and Liz Newlin. The '75 prom was a big success as everyone enjoyed the music and food.

Johnston students enjoyed a variety of educational as well as entertaining assemblies this year. The first one was a program given by Ted Hunt entitled "Believe in Yourself". The Gilbertos were an acrobatic family from Belgium who did various balancing acts. Later in the year a very interesting program was given by two men who did a dialogue on a few events from history with the help of a few students who acted as a jury. They were called "Spies and Traitors". As one of the final assemblies, a musical program was given by a young singing team entitled "North and West". They included some very popular musical selections such as "Hey Jude" by the Beatles along with some well-known Peter, Paul and Mary folk songs.

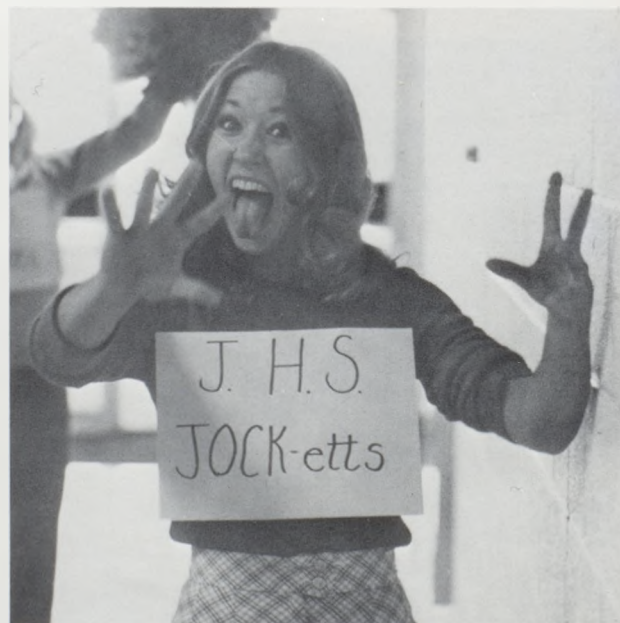

The musical team, North and West belts out a song.

A scene of rivalries on the football field is acted out during a pep assembly.

# Kudos Piled High At Spring Awards Assembly

The achievements of many were recognized at the 1975 Spring Awards Assembly. Senior Skip Mable was honored with the John Phillip Sousa Band Award and Senior Pat Sheridan was also given recognition as Athlete of the Year. The many students involved in extra-curricular activities, makes JHS the great school it is.

# Class Of 1975 Boasts First Graduating Class From New School

Dr. Ray Pugh, a professor at Drake University received a standing ovation for his awe-inspiring commencement address. The senior members in Chorus opened the program by singing, "I'll Always Remember." Other musical selections included, "Deep River", dedicated to the memory of Ron Clover. The program ended with the selection, "You'll Never Walk Alone", sung by Senior High Chorus. Commencement had an exceptionally large attendance with both sides of the new gym filled to near capacity.

## Younkers Satisfaction Always

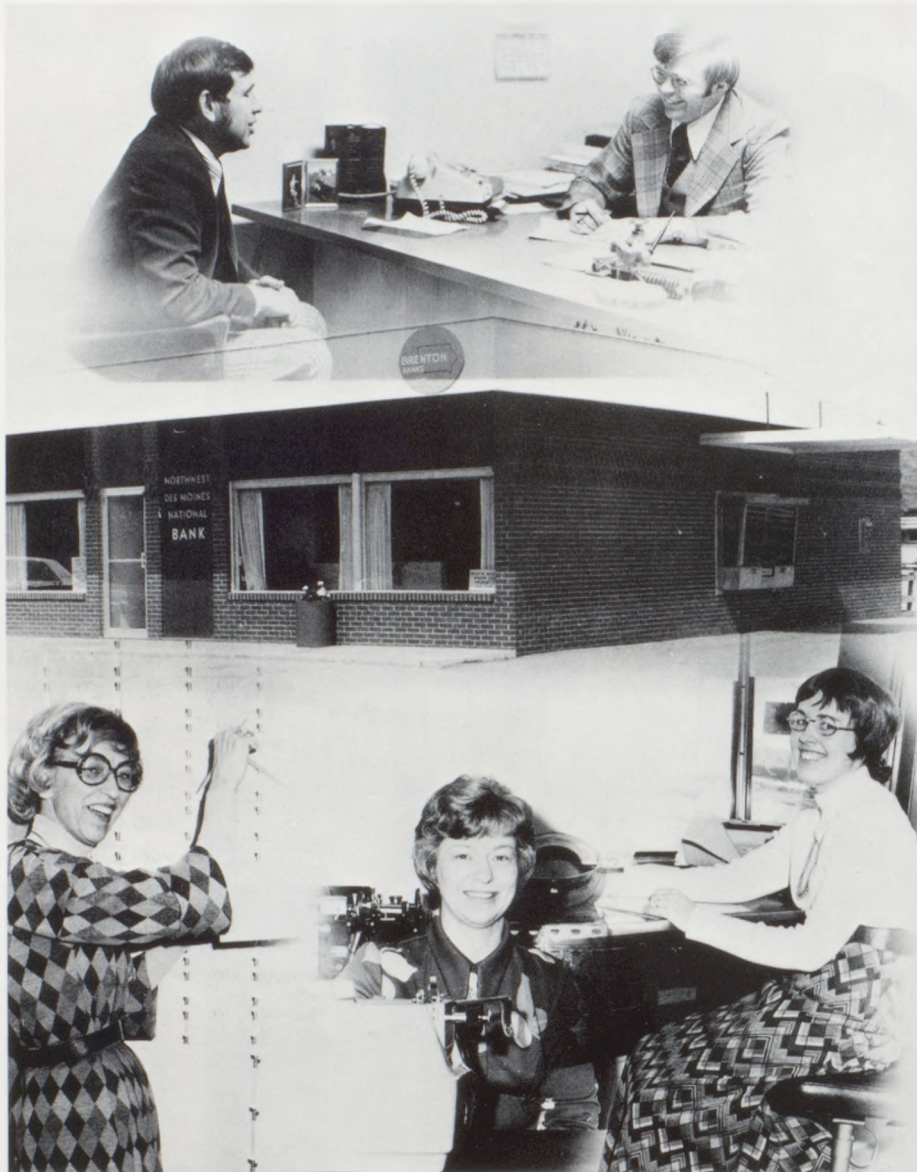

As part of Younkers firm belief in the young people of today, a program is offered each year for the Des Moines area schools ... TEEN BOARD for junior and senior boys & girls. These young people, selected to represent their schools, are chosen for leadership qualities, high scholastic standings, personal recommendations from school administrators and evaluation from members of the retiring boards, plus their interest and ability in retail fashion. They participate in special fashion shows during the year, give talks in their schools and to other groups on good grooming, publish a monthly newsletter and work in various junior departments each Saturday. Younkers salutes the representatives from JOHNSTON HIGH SCHOOL for a job very well done.
